Join Us in Collecting Coats for Catherine’s Closet!

With colder weather approaching, so does the need for warm winter wear.

As we celebrate Mission Week and Mercy Day, we remember in particular the founder of the Sisters of Mercy, Catherine McAuley. Catherine would often ask neighbors for donations of coats or other winter clothing to keep the women and children they served warm. In continuing her mission, we invite all to donate Coats for Catherine’s Closet.

*Drop off new or gently used coats, hats, gloves, scarves, or boots at the front office of any of our three buildings. Donations will be given to the Johnston Partnership to serve our neighbors in need.*

Monday - Friday

**SEPTEMBER 21-25**

*Drop off at the front office of Bishop Drumm, Martina Place, or McAuley Terrace*
