HOLIDAY TIME!

Be sure to come by Linus Oakes to enjoy the beautiful holiday decor. It is so beautiful here! A 12-foot live tree graces the lounge and six other trees can be found throughout the lodges. With hot cider served daily, holiday music playing, and lights adding to the festive feeling of the season.

With family in town for the holidays, it’s a very good time to schedule a tour of your local retirement homes to check your options and have a plan for the future.

GIVING IS HEALING

Remember the less fortunate this season. There are many worthy community organizations taking donations of food, toys, coats, as well as monetary. Please find a cause that speaks to you and give what you can. Giving is healing!

PETS ARE FAMILY

Pets are family at Linus Oakes, so we never charge a pet fee. Cats and small dogs are welcome. Even birds and fish! We know that they are wonderful companions and bring joy and comfort to our residents. We’ve even added an off-leash dog park!
THE STAFF AT LINUS OAKES WISH YOU A
VERY MERRY CHRISTMAS AND
A HAPPY NEW YEAR!

Available Homes... as of December 6th

#156 is a 1-bedroom Standard Lodge Apartment located on the 2nd floor of Laurelwood Lodge, with a view of the rose garden and city lights. This cute apartment is bright and cheerful with large, Southeast-facing windows. Furnished with a four-burner stovetop, oven, refrigerator with freezer, and loads of closet space, this home will be very comfortable for its new resident.

#23 is a 1-bedroom Standard Lodge Apartment located on the 2nd floor of Oak Lodge. This is a prime location, near the dining room, mail boxes, and with easy access to social activities. Similarly furnished as #156, this home is ideal for a social resident who may have limited mobility or a dog that needs easy access outside.

#19 is a 2-bedroom Lodge Apartment located on the ground floor of Oak Lodge and is convenient to the dining room and all of the social activities that make Linus Oakes home. It has a beautiful view from the bay windows of the Linus Links putting green and Amicitia Friendship Park.

Benefits of the Waiting List
This has been a very good year for Linus Oakes and the occupancy rate is very high. I have been encouraging interested parties to join the Waiting List if they are considering moving to Linus Oakes within the next year or two.

Folks on the Waiting List receive first notification of available homes. There is no obligation to take a home you are offered. You'll have three business days to decide if its the right one for you. If you pass, your name remains on the list in the same position for the next available home.

Since we refurbish each home between residents, putting a deposit on a home before refurbishment begins can allow you to choose some materials. So if you'd like a custom carpet or paint, we would share the cost with you!

The Waiting List fee is $100 that is credited to your account when you move in.

Call Regan at 541-677-4800 for more information.
