October 30
3 pm**

**Franciscan Gardens
1000 Williams Avenue**

*Light refreshments will
be served.
Open to the public.*

 **Aurora at Home**

We are  AdvocateAuroraHealth

Joint Pain and Treatment Options

Join us at Franciscan Gardens for a presentation by Dr. Patrick Herson. After 31 years as a practicing family doctor and physician leader, Dr. Herson chose to take a year off and pursue additional training in hospice and palliative medicine. He feels very fortunate to be matched to do this in the Advocate Aurora system in Milwaukee. Herson will draw on his years of practice experience as well as being filial consultant to his parents (ages 88 and 91) in this presentation.

***For more information and to make a reservation,
please call 414.570.5370 by October 28.***
